

Chinese Government funds Global scientist

Published in the *Journal of Neuroscience*, Global/Crmc-funded scientist Huaxi Xu's findings could explain cognition and Alzheimer's disease in people with Down syndrome. Xu collaborated with scientists from Xiamen University in China, and the Institute of Molecular and Cell Biology in Singapore. Xu's research was funded by Global and several other organizations, including the National Natural Science Foundation of China.

Illinois hockey player scores big for Global

Bloomington Thunder goalie Logan Halladay has been representing Global all season long on his hockey mask, which is decked out with the Global logo. After a season-long raffle for fans to win the helmet, Halladay donated all of the proceeds to Global. A huge thank you to Logan and the Bloomington Thunder!
