**Global has strong response to CBS story on eradication of Down syndrome**

Global was shocked to see that misinformation and discrimination towards people with Down syndrome still exists. In response, Global shows why educating the medical community and pregnant women with accurate information is imperative.

**MDC/Richmond American Homes Foundation provides generous research grant to the Global Down Syndrome Foundation**

The grant will help fund Dr. Huntington Potter and his team's initial findings, which suggest related cell biological dysfunctions between Down syndrome and Huntington's disease, taking us one step closer to the long-term goal of disease intervention.
