The Global Down Syndrome Foundation is a public nonprofit 501(c)(3) dedicated to significantly improving the lives of people with Down syndrome through research, medical care, education and advocacy. Formally established in 2009, Global has the primary focus of supporting the Linda Crnic Institute for Down Syndrome, the first academic home in the U.S. committed to research and medical care for people with the condition, and the Anna and John J. Sie Center for Down Syndrome at Children's Hospital Colorado. Global is an inclusive organization without political or religious affiliation or intention.
