Immune System Dysregulation in DS

Crnice Institute scientists establish the most in-depth characterization of the immune system in Down syndrome – a catalyst for their first in-kind clinical trial aimed at curing autoimmune disorders and funded by the NIH.

Thank You Senators Daines & Bennet!

Senators reach across the aisle with an official Resolution acknowledging October as "National Down Syndrome Awareness Month," the first time the 1984 resolution has been updated since 2006. We are grateful that it includes research and medical care!
