We are beyond sad to share the news that our beloved Global Ambassador DeOndra Dixon has passed. Everyone at Global is in complete shock and full of grief. Our extended family loves DeOndra deeply and unreservedly for who she is. Please join us in honoring and celebrating her at our upcoming Fashion Show on Saturday, November 14.

The First Global Guideline!
After four years of hard work, GLOBAL announces that the first evidence-based medical care guidelines for adults with Down syndrome was published in JAMA, the Journal of the American Medical Association.

Special Performances at GLOBAL’s Fashion Show
Multiplatinum Artist Rachel Platten, The Fray’s Isaac Slade, and the Ransom Notes will perform during GLOBAL’s Be Beautiful Be Yourself Fashion Show on Saturday, November 14.

WebMD Exclusive on Adult Care
Clinicians, adults with Down syndrome, and families tell how the Global Down Syndrome Foundation’s Medical Care Guidelines for Adults with Down Syndrome allow them to provide and advocate for good health.

GLOBAL Q Awarded Gives BIG to GLOBAL!
20 guests will receive a private screening of Caterina Scorsone’s favorite Grey’s Anatomy episode at the Sie FilmCenter, plus a Q&A with Caterina (Dr. Amelia Shepherd) and co-stars Kevin McKidd (Dr. Owen Hunt) and Sarah Drew (Dr. April Kepner).

The Global Down Syndrome Foundation (GLOBAL) is the largest non-profit in the U.S. working to save lives and dramatically improve health outcomes for people with Down syndrome. GLOBAL has donated more than $32 million to establish the first Down syndrome research institute supporting over 180 scientists and over 2,000 patients with Down syndrome from 38 states and 10 countries. GLOBAL is a leader in the research, treatment, and care field for Down syndrome and a lead advocacy organization for the U.S. for Down Syndrome research, care, and cure. GLOBAL is a multi-stakeholder non-profit Down syndrome advocacy, research, and service organization, and is part of a network of Affiliates the Crnic Institute for Down Syndrome, the Sie Center for Down Syndrome, and the University of Colorado Alzheimer’s and Cognition Center all on the Anschutz Medical Campus.
