7:00PM ET VIP Reception | 7:30PM ET Program | Virtual

The [Global Down Syndrome Foundation](https://www.globaldownsyndrome.org) (GLOBAL) is the largest non-profit in the U.S. working to save lives and dramatically improve health outcomes for people with Down syndrome. GLOBAL directly supports over 200 scientists and 2,000 patients with Down syndrome. Working closely with Congress and the National Institutes of Health, GLOBAL is the lead advocacy organization in the U.S. for Down syndrome research and medical care.

Given that people with Down syndrome are at extremely high risk for COVID-19 (adults with Down syndrome are four times more likely to be hospitalized and 10 times more likely to develop adverse side effects due to COVID-19) we have decided to hold our 2021 *AcceptAbility Gala* virtually.

GLOBAL's annual *AcceptAbility Gala* brings together policymakers from both sides of the aisle, key scientists from NIH, and our Down syndrome community. YOUR support for this inspiring event allows GLOBAL to protect people with Down syndrome from COVID-19; provide world-class care to over 2,000 patients with Down syndrome from 28 states and 10 countries; and fund over 200 scientists working on Down syndrome research with a focus on Alzheimer's disease, cancer, and autoimmune disorders. With support from you and our champions, GLOBAL's advocacy efforts on Capitol Hill has resulted in a tripling of the NIH Down syndrome research budget, as well as outreach to over 14,000 families.
