Global Membership Grant

"We are so excited to receive another Global Membership Grant. The support from Global allows us to create effective and engaging mobile learning apps for individuals with Down syndrome. The grant for our first app, Sign Me A Story, which is currently being updated, helped us achieve nearly 100,000 downloads worldwide. This year, we're thrilled to have just launched Sign Me ABCs and have lately begun production of a new app to be released in 2019. We appreciate Global as a true capacity-building partner for change."
