

NEW Research for People with Down Syndrome!

NIH awards \$4.6 million to GLOBAL's lead Alzheimer's scientist, Dr. Huntington Potter, and his colleague Dr. Peter Pressman. The grant will fund a clinical trial to determine if Leukine®, a promising Alzheimer's drug, improves cognition in young adults with Down syndrome. The first phase of the study will focus on safety. The [Global Down Syndrome Foundation](#) (GLOBAL) is the largest non-profit in the U.S. working to save lives and dramatically improve health outcomes for people with Down syndrome. GLOBAL has donated more than \$32 million to establish the first Down syndrome research institute supporting over 400 scientists and over 2,000 patients with Down syndrome from 33 states and 10 countries. Working closely with Congress and the National Institutes of Health, GLOBAL is the lead advocacy organization in the U.S. for Down syndrome research and medical care. GLOBAL has a membership of over 150 Down syndrome organizations worldwide and is part of a network of Affiliates – the Clinic Institute for Down Syndrome, the Sie Center for Down Syndrome, and the University of Colorado Alzheimer's and Cognition Center – all on the Anschutz Medical Campus. GLOBAL's widely circulated medical publications include GLOBAL Medical Care Guidelines for Adults with Down Syndrome, Prenatal Testing and Information about Down Syndrome, and the award-winning Down Syndrome World™ magazine. GLOBAL also organizes the Be Beautiful Be Yourself Fashion Show, the largest Down syndrome fundraiser in the world.
