

# GLOBAL Education Grants

## *Ideas for Applications Specific to Research & Medical Care*

### ❖ Conferences/Workshops/Webinars

- Prenatal, Pediatric, Teens, Adults, Teens/Adults, Across the Lifespan
- Specific to a singular or group of research/medical topics
- Incorporating national and local experts and practitioners
- Family and/or Professional Audiences

### ❖ Medical Outreach Programs

- Pediatricians (AAP & other supports)
- OB/GYNs (PTP & other supports)
- Genetic Counselors (PTP & other supports)
- Adult/Family Practitioners (GLOBAL Adult Guideline & other supports)
- Hospital Grand Rounds

### ❖ Health & Wellness

- Mental and/or physical fitness trainings (yoga, barre, Pilates, weight training)
- Nutrition and/or Cooking
- Personal Hygiene

### ❖ Research

- Understanding national and local research that may be available to people with Down syndrome
- Outreach and education on specific research projects (from speech to Alzheimer's)
