## Meet the 2022 GLOBAL Ambassador Micah Quinones!

After two years of virtual fashion shows, it warmed our hearts to receive a standing ovation for Micah's ambassador video. Micah is an accomplished model like his mom, Amanda Booth, appearing in numerous ads and is the first person with Down syndrome to appear on the cover of *Vogue*! ### GLOBAL Receives Generous Bequest from Devoted Mom

The difficult decision was made to put Lee Barrett, a much-loved first child, into a facility when he was just 9 years old. While his father was away at sea in the Navy for 6-12 months at a time, his young mother, Lois, never stopped loving him and continued to check in on her son throughout the years. Lee tragically passed at the facility in 1963 due to a cardiac defect associated with his Down syndrome diagnosis. Lois was devastated and up until her passing at 86 years of age just last year, she couldn't mention his name without breaking down, or pass a young child without stopping to say hello. To honor their son who was dearly loved, Lois and Don generously donated to GLOBAL in memory of Lee, in hopes that it will help other families access the resources needed to provide for their family members with Down syndrome. [Help us amplify Lois' generous donation.](#)
