

A fundraiser for the
GLOBAL DOWN SYNDROME FOUNDATION

funding life-changing research and life-saving medical care for children and adults with Down syndrome

Thursday, May 9, 2024 • Marriott Marquis Washington, DC
6:00PM Cocktail Reception | 7:00PM Performance & Program

The Global Down Syndrome Foundation (GLOBAL) is the largest non-profit in the U.S. working to save lives and dramatically improve health outcomes for people with Down syndrome.

GLOBAL's annual *AcceptAbility Gala* brings together policymakers from both sides of the aisle, key scientists from NIH, and our Down syndrome community. Together, our advocacy efforts have increased the NIH Down syndrome research and medical care budget by \$258 million over the last five years! The *AcceptAbility Gala* is an opportunity to celebrate our success, especially major new federal research funding increases after years of being one of the least funded genetic conditions.
