

A fundraiser for the
GLOBAL DOWN SYNDROME FOUNDATION

funding life-changing research and life-saving medical care for children and adults with Down syndrome

Wednesday, May 21, 2025 • Marriott Marquis Washington, DC
6:00PM Cocktail Reception | 7:00PM Performance & Program

The Global Down Syndrome Foundation (GLOBAL) is the largest non-profit in the U.S. working to save lives and dramatically improve health outcomes for people with Down syndrome.

GLOBAL's annual *AcceptAbility Gala* brings together policymakers from both sides of the aisle, key scientists from NIH, and our Down syndrome community. Together, our advocacy efforts have increased the NIH Down syndrome research and medical care budget by \$333 million over the last six years! The *AcceptAbility Gala* is an opportunity to celebrate our success, especially major new federal research funding increases after years of being one of the least funded genetic conditions.
